Phone: 0213-565-7762

Introduction

First Women Bank Ltd. a commercial bank caters to women at all levels of economic services and activities such as: - Micro, SME and Corporate, Treasury Operations, Trade and Finance, and Investment Banking thereby enable them to transcend their status from passive beneficiaries to dynamic agents of change.

This Request for Proposal (RFP) solicits proposals from vendors who can provide the required Enterprise Storage and support service(s) to complete the FWBL required on-going network infrastructure revamping and DR-Site. The bidder must provide basic information on the proposer and any partners or subcontractors participating in the tender. This information should include, but not limited to, the history of the organization, its experience, financials, technical capabilities, experience for providing similar architecture equipment and success stories.

The later sections of the document provide additional information that will allow a vendor to understand the scope of the effort and develop a proposal in the format required by FWBL to fulfill the business and market needs.

Scope

FWBL is currently undergoing significant up gradation in IT service management and infrastructure. The Bank desires the engagement and support, of an independent experienced vendor for the procurement of the Enterprise storage, configuration / mapping of Enterprise storage LUNs to VMware Hosts servers running VMware 5.5 and middleware on Nexus switch onsite back to back support from OEM which are mentioned in the Annexure B of this RFP. Following section provides a high level requirement for Enterprise Storage hardware. Details are specified in Annexure B.

- Quantity = 02
- Storage must offer 8 x 16Gbps FC ports (for data), 8 x 10G base T ports (for iSCSI and remote replication)
- Storage must provide unified connectivity of block protocol on FC and 10G iSCSI as well as NAS protocol (both NFS and CIFS) on 10G iSCSI in the same enclosure
- Storage must have built-in IP replication ports for remote replication
- Total Usable Space Required 25 TB on 10K drives
- Total Usable Space Required 2.5 TB on Flash drives
- Storage must be equipped with adequate Hot Spare as per manufacturers best practices
- Maximum RAID should be (4+1), and will be applicable for all drives.
- Storage read/write cache (SSD and/or DRAM combination permitted) must not be less than 220GB and able to scale to 400GB
- Solution need to be installed in maximum of 7U Rack Space
- Storage must have 18 free slots in the enclosure to provision additional HDD for future growth
- Solution should be identical for Primary & DR site

- SAN to SAN Replication required to be placed on block level with provided delay
- Required delay of SAN to SAN Replication is not more than 5000ms between two FWBL data center sites located in Karachi.
- SAN to SAN replication support forward and reverse replication with incremental changes

The selected vendor will be responsible to deliver this equipment / storage within the committed deadline to FWBL.

Eligibility Criteria

The bidder MUST comply with the following minimum criteria. The bid document shall be rejected if the vendor fails to meet the following minimum criteria and submission of the require documents.

- The bidder should be **NTN** and **Sales Tax** registered company in Pakistan.
- The bidder should have minimum turnover of Rs. 300 M during the last three years and are required to submit the audited financial statements for this period.
- The bidder should submit the last three years audited financial statements.
- Bidder must be an original equipment manufacturer (OEM) or an authorized Tier-I or equivalent partner of the OEM for the proposed solution in Pakistan. Partner should have been in this line of business for at least 5 years and OEM partner of the proposed solution for at-least three years and must have valid Agreement of Partnership with the principal
- Bidder must have experience of at least five (03) similar assignments for deployment of SAN and Storages of same OEM , during last three (03) years;
- Proposed solution must have at-least three years of OEM warranty support, included in proposal.
- Bidder must have technical strength of at least two (2) OEM's certified/trained technical resources

Terms of Reference

- The bidder must provide "DETAILS OF PRIOR EXPERIENCE". If available, please provide a copy of either work order or work completion certificate
- The bidder should provide relevant references (along with contact information) for similar work completed by the bidder
- The Bidder should provide maximum 6 hours repair and replacement support for proposed Enterprise Storage
- The bidder must provide a "High Level Design Document" & "Low Level Design Document" before implementation of the Enterprise Storage in FWBL environment.

- The Bidder must propose at-least two certified technical resources assigned to FWBL project (as primary and backup technical resource) with expertise and certification in proposed solution. These resources must have worked on at-least three projects with similar scope. Client References must be provided along with their credentials. Bidder must ensure that proposed resources will be assigned to this project until successful completion. In case, a change in technical resource is required, FWBL must approve this change in writing. In case of non-compliance, FWBL reserves the right to forfeit Bid Bond submitted by the successful bidder
- The following VMware & Cisco Nexuses certified resources are required by FWBL to work in conjunction with Enterprise Storage and FWBL VMware team to seamlessly incorporate VMware infrastructure with coexist environment
 - VMware Certified Associate – Data Center Virtualization
 - Cisco Nexus Switches Certified
- The successful bidder is required to perform the following tasks:
 - Design Document of Enterprise Storage
 - Installation and configuration of Enterprise Storage on Primary & DR Site.
 - Configuration & Deployment of complete Enterprise Storage or equivalent
 - Design & Implement Enterprise Storage as per FWBL business requirements along with integration with existing networking and routing at FWBL Primary and DR data center.
 - Configure SAN to SAN replication with maximum RPO of 5000 milliseconds for deployment in metro cluster. FWBL primary and DR site is based in Karachi. If required, Bidder will be responsible to discuss technical details before proposing the solution. FWBL IT will only provide connectivity between sites.
 - End to End Complete configuration of Enterprise Storage
 - In-house Training and support
- Proposed solution must have at-least three years of OEM warranty support, included in proposal. This should include any annual software renewal cost, if applicable.
- Proposed implementation must include at-least three months of implementation services warranty support.
- Deliverables must include the following:
 - Enterprise Storage & All Licenses as per BoQ
 - Proposed Project Plan along with total-man days
 - Design Documentation of complete Pre-Migration and Post-Migration (Step by Step). This should include deployment procedure
 - End User Guide
Administration Guide
- Bidder must have expertise in VMware 5.5 Host & Nexus 5548UP Switches
- Proposed design must ensure Seamless Migration and Transition from existing Storage to New Enterprise Storage.
- VMware 5.5 & Nexus Switches Configuration for New Enterprise Storage will be the responsibility of Bidder
- Bidder must provide procedures on OEM help desk support and the process to claim warranty support on hardware.

- Enterprise Storage must consume space of not more than 7 U (Rack Space)
- Enterprise Storage have same capacity to add HDD as installed in Storage (SSD + SAS)
- The bidder will maintain the required technical team as deemed as suited based on the requirements and milestones. FWBL expects that the bidder would have allocated the a team having skill sets and professional experience of configuration of Nexus 5548UP / mapping of Enterprise Storage LUNs to VMware Hosts servers running VMware 5.5 with the least downtime of the live systems. Importantly it is expected that the bidder will maintain necessary resources on-site during crucial stages of the Project that requires closer interaction with FWBL during supply, installation and configuration of the required servers

Proposal

This is single stage two envelope bidding procedure as per PPRA rules. The bidders shall submit their proposals in one sealed envelope containing two different separate sealed envelopes marked as “Technical Proposal” and “Financial Proposal” Only Technical envelop will be opened in the presence of bidders and Financial proposal envelops will stay in FWBL custody till the opening of Financial bids.

Financial proposals from bidders that met the minimum technical score will be opened in front of bidders. Final date of opening of Financial Bids which will be communicated to all the bidders in advance.

Further final evaluation reports containing the combination of marks including technical and financials will be published on FWBL website and PPRA as well.

Successful bidder who qualifies with the combined evaluation, a meeting with the FWBL’s management will be held to discuss in details the exact requirements and procedures to be followed in conducting this assignment.

After the finalization of combined evaluation the qualifying organization will be issued “Letter of Intent” which will be followed by the Service agreement and Service order.

Submission Timeline & Location

FWBL reserves the right to modify below timeline at any time. Should the due date for proposals be changed, all prospective respondents shall be notified. The proposal must follow as per the following high level schedule.

Location and Timing

Bids/Proposals must be delivered to the FWBL, on or before, **7 January 2019 11:00 am** and only technical proposals will be opened on the same date at FWBL, Head Office GF-2 Reception Area, S.T.S.M Foundation Building, CL-10/20/2, Beaumont Road, Civil Lines, Karachi.

Milestone	Date & Time
RFP Released	21 December 2018
Deadline for Submission of Questions for Clarifications on RFP	1 January 2019
Meeting with Vendors for Clarifications on Questions submitted by Prospective Bidders	28 December 2018
RFP Bid Submission Date and Time	7 January 2019 11:00 am
Opening of Technical Bids	7 January 2019 11:30 am
Opening of Financial Bids	To be decided

As a result of this Request for Proposal, FWBL may do one of the following at its discretion:

1. Award a contract for this Request for Proposal on the basis of prescribed evaluation criteria.
2. Cancel the whole process.

Proposals Evaluation Criteria

- Evaluation of the firms shall be based on information provided in Proposals.
- As a part of evaluation, bidders may be asked to conduct presentation / demonstration.
- On the basis of technical evaluation, the financial proposal of only technically responsive bidders (qualified bidders) will be opened in the presence of their Representatives who choose to attend.
- Financial proposals of technically non-responsive vendors will be returned unopened.
- Proposals will be evaluated on the basis of 50 – 50 i-e
 - 50% of the proposal strength will be measured in Technical evaluation
 - 50% of the proposal strength will be measured in Financial evaluation

Technical Score

Technical evaluation of the proposals will be given weight through the below mentioned factors based on the below formula.

$$\frac{\text{Bidders Technical Score}}{\text{Total Technical Score}} \times \text{Weight}$$

Minimum score of 70% on evaluation criteria specified in “Annexure A” is required to qualify for financial evaluation.

Financial Score

Bid Price will be calculated as:

One time delivery cost of proposed Enterprise Storage plus the sum of First Three years of Annual Recurring Charges.

Please note that Annual Recurring Charge must include all charges including but not limited to service based recurring charges and support fees.

$$\frac{\text{Lowest Bid Price}}{\text{Bidder's Price}} \times \text{Weight}$$

Combined Evaluation will be calculated by adding the Technical and Financial Evaluation as below:

$$\left[\frac{\text{Bidders Technical Score}}{\text{Total Technical Score}} \times \text{Weight} \right] + \left[\frac{\text{Lowest Bid Price}}{\text{Bidder's Price}} \times \text{Weight} \right]$$

FORMAT FOR FINANCIAL BID

The financial bid should be quoted as per the format. The financial bid should be accompanied by Financial bid cover letter. The Bidder shall bear all costs associated with the preparation and submission of its bid, including cost of presentation for the purposes of clarification of the bid, if so desired by the Bank. The Bank will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the Tendering process, the financial bid shall include the following:

- Financial Bid - Commercial Bid Cover Letter
- Financial Bid - Commercial Bid For FWBL PROCUREMENT OF ENETERPRISE STORAGE
- Bid Security
- Payment Terms

Bid Currency and Validity

- All prices must be quoted in Pak Rupees including all applicable taxes.
- Bid validity will be 180 days after the submission of proposals

Bid Security

All bids must be accompanied by a pay order of Five percent (5%) of total bid amount in Favor of First Women Bank Ltd enclosed in the sealed financial envelope and must be delivered to Information Technology Division, GF-2 Reception Area S.T.S.M. Foundation Building, CL/10/20/2, Beaumont Road Civil Lines, Karachi – 75530 on or before 7 January 2019 11:00 am.

Pre-award Presentations

The FWBL reserves the right to require presentations and/or demonstrations/ Interview from any or all of the bidders, in which they may be asked to, provide additional information.

FORMAT FOR TECHNICAL BID

The bidders are requested to submit the technical proposal, which at least shall include the following sections in the format provided in Annexure C and D.

1. Executive Summary
2. Company Profile
3. Proposed Enterprise Storage and support service
 - a. Configuration approach with FWBL existing network and routing (Primary and DR data center)
4. Project Management Approach
5. Deliverables
6. Timelines
7. Technical Team Composition
8. Annexure – Evidences
 - a. GST/NTN Certificate
 - b. Membership / Partnership Certificate
 - c. Organization's establishment
 - d. Similar Assignments and References
 - e. Technical Certificates for proposed resources
 - f. Audited Financial Statement

Payment Terms

- If the bidder is unable to deliver the required hardware (as per BOQ), then FWBL reserves the right to forfeit the Bid Security.
- Invoices will be cleared upon receiving the invoice along with necessary documentations and project milestones. Incomplete claims shall be returned to vendor.
- All payments shall be made through cross cheque in the Pak Rupees.
- Taxes will be deducted at source as per government rules at the time of payment.
- If the progress of the work is not to the satisfaction of the FWBL Management, FWBL Management has the right to cancel the order, get the work done from third party selected accordance with the PPRA rules.

Payment schedules

Project Phase	Payment Plan (%age of Contract Value)
Advance at the time of contract signing	20%
Delivery of the equipment	40%
Completion of the engagement	30%
Completion of 3 Months (implementation) in Live Environment (After Go-Live)	10%

Complete Pricing

The respondent / bidder should mention all the charges in financial bid deem necessary to complete the scope of work, should include all incidental expenses in the project pricing. This includes travel expenses, printing or reproduction, communications, etc. Any invoices for expenses beyond those **itemized (listed)** in the RFP response will not be entertained by FWBL.

SUPPORT & WARRANTY

- Complete details of support, including escalation procedure for the hardware issues, during the period of warranty must be specified.
- Minimum three years comprehensive on-site back to back warranty of the required hardware as per RFP and related components must be ensured
- Failed components must be replaced within 24x7x4 (hours) of our reporting the same to your customer service center.
- A letter of guarantee from the principal that they will support the hardware components for a period of at-least 3 years from the date of delivery.
- The charges of comprehensive annual maintenance contract (AMC) for the required Enterprise Storage Hardware by FWBL "Annexure B" for the duration beyond the warranty period, needs to be mentioned separately (as an additional line item). The same level and type of service as applicable during the warranty should be extended beyond warranty as well.

LIQUIDATION

If the Contractor or his agents shall become bankrupt or insolvent or have a receiving order made against him or compound with his creditors or being a Corporation commence to be wound up, not being a member's voluntary winding up for the purpose of amalgamation or reconstruction or carry on its business under receiver for the benefit of his creditors, or any of them, the Bank shall be at liberty.

- a. To terminate the contract forthwith by notice in writing to the Contractor or to the Receiver, or Liquidator or any person, in whom the Contract may become vested, or
- b. To give such Receiver or Liquidator or other person the option of carrying out the Contract subject to his providing a guarantee for the due and faithful performance of the contract at the contract value.

WARRANTY AGAINST BENEFITS

The Contractor shall warrant that he has not given or promised to give any money or gift to any official or employee of the Bank or any Government institution or employee thereof with the intent or objective of securing the contract or undue favor. Any violation of this warranty shall be sufficient grounds for cancellation or revocation of the contract without any claims against the Bank.

DEFAULT

In the event of failure or default on the part of the Contractor to execute the Contract at the time and place required by the authorized representative of the Bank, or in the event of his failure or default to execute the contract or part of it in any other respect, the Bank reserves to itself the right (without prejudice to any other right) to engage at the risk and expense of the Contractor, the services of any other person to execute the contract, or any part thereof, and the Bank shall be entitled to recover from the Contractor all losses, costs and damages, which it may sustain in consequence of such failure or default.

Any sum of money which the Contractor or his agent is liable to pay to the Bank will be deducted by the Bank from the amount due to the Contractor or his agent or set off against the bid security furnished to the Bank, without prejudice to any other right of the Bank.

The balance of such monies, less such deductions will be paid to the Contractor on satisfactory execution of the Contract.

If the Contractor or his agents fail to execute the Contract in a satisfactory manner, or if his conduct is considered improper or if he contravenes any of the laws and conditions of the contract, his name will be placed on the list of defaulting Contractors.

The Contractor and/or his duly appointed agent shall be responsible for the prompt supply, delivery and commissioning of the Enterprise Storage for infrastructure revamping & DR Site for FWBL.

In the event of a delay in delivery and commissioning, the Contractor will be liable to pay to the Bank by way of penalty a sum calculated at 0.25% of the total cost of contract value for each day of delay in deliveries.

The penalty would be capped at a maximum of 10% of the contract value. The bank reserves the right to terminate the contract if the delivery and commissioning is delayed by more than 100 days.

If the delivery is delayed due to an explicit instruction from the Bank to the same effect or after a mutual agreement has been arrived at between the Contractor and the Bank to revise implementation timelines, no penalties shall be levied until the newly agreed delivery date.

Final decision on penalties for delayed delivery shall rest with the bank.

SETTLEMENT OF DISPUTES

If any dispute or difference shall arise between the parties as to the construction of this Agreement or as to any matter or thing of whatsoever nature arising there under or in connection therewith, then either party shall forthwith give to the other notice in writing of such dispute or difference which notice shall specify the matters which are in dispute and such dispute or difference of which such notice has been given and no other shall be and is hereby referred to a single Arbitrator in case the parties agreed upon one, otherwise to two (2) Arbitrators, one to be appointed by each party or in the event of disagreement between the Arbitrators, then to an Umpire to be appointed by the Arbitrators in writing before commencing the business of the reference and if either party shall refuse or neglect to appoint an Arbitrator within twenty days (20) after the other party shall have appointed an Arbitrator on its part and shall have given notice to the party in default requiring it to make such appointment, then the Arbitrator appointed as aforesaid shall at the request of the party appointing him proceed to hear and determine the matter in difference as if he were an Arbitrator appointed by both the parties in dispute. The decision or award of the Arbitrator, Arbitrators or Umpire (as the case may be) shall be binding upon the parties in dispute and each of them and the cost of the reference and award shall be in the discretion of the Arbitrator, Arbitrators or Umpire who may direct to any, by whom and in what manner same or any part thereof shall be borne and paid and the submission of the parties in dispute to the award of the Arbitrator.

Annexure A: Evaluation Score Criteria

This section includes vendor evaluation criteria. The bidder must score at-least 70% in the following evaluation criteria to be eligible for successful bidding:

No	Evaluation Factors and Description	Total Marks	Max Marks	Total Marks and Distribution ranking
1	Experience of proposed Technical Team with proofs and certificates.	20	20	To be assigned by Technical Evaluation Committee
2	Evaluation of Proposed Solution	30	30	To be assigned by Technical Evaluation Committee
3	Organization Financial Strength	30	30	Firm has more than Rs. 500 million annual Turnover for last Three (03) years and Audit Report is provided confirming company sound financial Position.
			15	Firm has more than Rs. 400 million annual Turnover for last Three (03) years and Audit Report is provided confirming company sound financial Position.
			10	Firm has more than Rs. 300 million annual Turnover for last Three (03) years and Audit Report is provided confirming company sound financial Position.
4	Similar SAN projects (proposed solution) completed along with proof and reference within last 5 years.	40	40	Firm in Pakistan has completed equal to or more than Seven similar projects.
			25	Firm has completed more than or equal to Five similar projects.
			10	Firm has completed less than Three similar projects.
5	Authorized & registered partner of a OEM (documentary proof, certificates etc. are required)	30	30	1 st Tier Partner of Proposed Solution
			15	2 nd Tier Partner of Proposed Solution

			5	3 rd Tier Partner of Proposed Solution
6	Principal (of proposed solution) presence in Pakistan with break and fix engineering support.	15	15	To be provided evidence of document.
7	Technical Bid Completeness (documentary proof, brochures, diagrams, non-deviation material, relativity etc)	15	15	To be assigned by Technical Evaluation Committee

Please note that proposed Project Manager and Technical team members cannot be replaced by the successful bidder after award of the contract, by FWBL. Changes in proposed team can only be made in cases where human resource is no longer employee of the consulting firm. Replacement of human resources will have to be approved by FWBL team. FWBL has the right to request for change in technical team, in case of unsatisfactory performance of the technical team.

In case of non-compliance, FWBL reserves the right to forfeit the Bid Security.

Annexure B – Technical Specification & List of Hardware for the Procurement

Following provides a high level overview of the Enterprise Storage hardware required by FWBL. If there are any queries with respect to this hardware requirement, please send email to contact details provided in this RFP document at-least five days before submission deadline specified in this RFP document.

- Quantity = 02
- Storage must offer 8 x 16Gbps FC ports (for data), 8 x 10G base T ports (for iSCSI and remote replication)
- Storage must provide unified connectivity of block protocol on FC and 10G iSCSI as well as NAS protocol (both NFS and CIFS) on 10G iSCSI in the same enclosure
- Storage must have built-in IP replication ports for remote replication
- Total Usable Space Required 25 TB on 10K drives
- Total Usable Space Required 2.5 TB on Flash drives
- Storage must be equipped with adequate Hot Spare as per manufacturers best practices
- Storage read/write cache (SSD and/or DRAM combination permitted) must not be less than 220GB and able to scale to 400GB
- Solution need to be installed in maximum of 7U Rack Space
- Storage must have 18 free slots in the enclosure to provision additional HDD for future growth
- Solution should be identical for Primary & DR site
- SAN to SAN Replication required to be placed on block level with provided delay
- Required delay of SAN to SAN Replication is not more than 5000ms between two FWBL data center sites located in Karachi.

Annexure D – Financial Bid Documentation

FINANCIAL BID COVER LETTER

Tender Reference No:

Date:

IT Division, FWBL.
Head Office, Mezzanine Floor,
STSM Foundation Building,
Civil Lines, Dr Zia-ud-Din Ahmed Road,
Karachi, Pakistan

Dear Sir,

Sub: your RFP for “PROCUREMENT OF ENTERPRISE STORAGE” dated DD -MM-YYYY.

Having examined the RFP including all mention requirements, we, the undersigned, offer to deliver services in conformity with the said RFP and in accordance with our proposal and total cost indicated in the enclosed Commercial Bid for FWBL PROCUREMENT OF ENTERPRISE STORAGE as mentioned in the in the RFP document.

All the prices mentioned in our bid are in accordance with the terms as specified in the bidding documents. We agree to abide by this bid for the period of 180 days from the date of bid opening and it shall remain binding upon us and may be accepted at any time before the expiration of that period.

We hereby declare that our bid is made in good faith, without collusion or fraud and the information contained in the bid is true and correct to the best of our knowledge and belief.

We further confirm that the prices stated in our bid are in accordance with your Instruction to Bidders included in bidding documents.

If our bid is accepted, we will submit the BID Security (in the format prescribed by the Bank) for a sum equivalent to 5% of the value of the contract to the Bank valid for a period of one year in favor of First Women Bank Ltd. for the due performance of the Contract.

Until a formal contract is prepared and executed, this bid, together with the bank’s written acceptance thereof and bank’s notification of award, shall constitute a binding Contract between us.

Dated this day of _____ 2018

Signature: (In the Capacity of) _____

Duly authorized to sign the tender offer for and on behalf of

Name: _____

Location: _____

Company Seal & Bidder’s Signature & Date

FINANCIAL BID:

Bidders to provide quotations of the proposed solution with two options:

1. Three year OEM warranty
2. Five Year OEM Warranty

Bidders to provide financial quotations using the following format:

Option 1

Item DESCRIPTION	COST (PKR)COST (PKR)	APPLICABLE TAX (PKR)	Total Cost (PKR)
Hardware Delivery and Implementation services Cost for ENTERPRISE STORAGE as per TOR's of this RFP along with at-least three year OEM warranty			
Total Financial Bid			

Option 2

Item DESCRIPTION	COST (PKR)COST (PKR)	APPLICABLE TAX (PKR)	Total Cost (PKR)
Hardware Delivery and Implementation services Cost for ENTERPRISE STORAGE as per TOR's of this RFP along with at-least Five year OEM warranty			
Total Financial Bid			

Please note that Bid Bond amount should be based on prices quoted in option 2.

FWBL evaluation committee will review financial proposals from bidders and decide on the option for procurement of the said solution as per this TOR's in this RFP. Financial weightage will be calculated using the financial quotation of the option selected. E.g. if FWBL decides to procure this hardware with five year warranty, then financial quotations with 5 year warranty (Option 2) will be used from all bids to calculate financial bid weightage.

Rates should be quoted in Pak Rupees and strictly as per the format illustrated above. Bids quoted in formats other than the illustrated format will be rejected. Bank will not be making any other payment except those mentioned in the commercial bid.

As per law, agreement of this procurement needs to be signed on a stamp paper with stamp value of 0.35% of the contract value. The bidder will be responsible to provide stamp paper with contract stamp amount.
